

Activities of DIET

At present following activities are performing in DIET Dhubri Golakganj-

1. Pre Service Teacher Education (PSTE)

Though PSTE was started in the year 1999 but in the middle it was stopped. It has been re-started from 2012 in the name of D.El.Ed 2-Years duration.

2. In Service Training

The In-service teachers are taking training on ODL mode as per NCTE Curriculum under the control of Director, SCERT, Assam.

3. Other activities:-

- 1) Helping in NISHTHA programme which is going to be held shortly
- 2) Helping in Gunotsav which was held in the last year and going to be held shortly in 2019.

4. Support visit- All the Academic staff are visiting school for development and implementing new innovation/practices in the school.

5. Uttaran:- A programme launched by SCERT Assam. In this programme two Schools have been adopted for development. Continuous support is providing to these two Schools for up gradation.
